

APPLICATION FOR THE YOUTH LEADERSHIP COUNCIL

In order to participate in the YLC you need to be able to commit to regularly attend youth functions that go on. This includes Sunday School on Sunday mornings, YF on Sunday evenings and other activities that are planned later or just for fellowship. You are taking a leadership position, which means you will need to be present and be someone the youth can see and come to when need be. It also means taking extra time out of your schedule because meetings will be in addition to the previously scheduled activities. Prayerfully consider if this is something that God has called you to do and hand your application back into Heather by the meeting on March 2.
